Clover® Go

# Take your business everywhere

Enjoy the benefits of running your business more efficiently and wherever your customers are with the convenience of the Clover® Go mobile point-of-sale system. With Clover® Go, your customers pay how they want — and you can track your sales in real-time. Anytime, anywhere.

## NEVER MISS A SALE

No internet connection? No problem. Accept all major credit and debit cards, contactless payments, checks and cash with your mobile device.

## ENJOY MORE FLEXIBILITY

Quick and easy, from point A to point B. No matter where you are, you can run your business and track sales in real-time from anywhere.

## BE SAFE AND SECURE

Control at your fingertips. Gain access to roles and permissions for your business using fingerprint login and two-factor authentication and enjoy the peace of mind knowing all transactions are encrypted to protect your customers' data and your business.

**Accept payments anywhere:** With the optional compact Go reader and Go Dock, you can use your mobile device to take payments anywhere.

**Tap-to-pay on iPhone:** With the built-in features of your iPhone and the Clover® Go app, you can accept in-person, contactless payments. It's easy, secure and private — and convenient for your customers.

**Sync with your Clover® Dashboard and Go devices:** Stay on top of your business from anywhere, with everything synced to your Clover® Dashboard.

**View all transactions in the Clover® Go app:** Access your entire transaction history — whether its generated from your Clover® Go on your mobile devices, Clover® Go reader or any other Clover® device — and view open, pending and completed transactions.
